

LEARN TO LOVE - LOVE TO LEARN
PRINCIPAL'S NEWSLETTER

A hearty **THANK YOU** goes out to all of the parents who chaperoned the Icebreaker Dance. This year we had a very large crowd and encountered some new challenges in dress, music, and dance. We are committed to providing healthy and safe social activities for our students and recognize the need to set guidelines for after-school social activities. A suggestion box will be located in the main office throughout the month of October. Feel free to submit your suggestions which will be reviewed by the school improvement team, a committee of parents, students, teachers, and administration.
